TOUR ON A HIGHER LEVEL

WHY GO WITH LONDON CHRISTIAN TOUR?

London Christian Tour is more than just a sightseeing experience. What sets us apart from your average point-and-talk tour is that we incorporate solid biblical history and spiritual application into nearly everything we do. At grand cathedrals, we showcase features that help give insight into the rise, reformation, and revival of Christianity throughout England and the rest of Europe. Through places like the British Museum, we study world-class biblical archaeology in helping the events in the Bible come alive. In other museums, we see the handiwork of God revealed through His creation.

We're here to show you a whole new perspective that you may never gain otherwise.

One thing people have often said about our trips and tours is they get to explore and experience the rarely-seen places the average tour just doesn't go to. That's certainly the case with our London Christian Tour. From easily missed and hidden rooms at Westminster Abbey, to high tea in a private apse in an ancient undercroft, we have lots of hidden gems to show you that will make you feel like a true London insider.

The London Christian Tour is full of great sights and destinations, and also various teachings about church history, biblical archaeology, creation science, and more. Above and beyond all else, will strive to honor God and bring glory to His name in everything we do, as we grow together throughout our time exploring this iconic city of world history and culture.

As Christ-followers, we have the unique perspective of not only seeing amazing sights and historic locations, but knowing and learning more about the One who has woven those histories and events together. We can't think of a better way to travel and see such incredible places than with fellow believers in the family of God.

We invite you to experience a tour on a higher level!

TRAVEL & TRANSPORTATION

GET AROUND THE SAME 3 MAIN WAYS EVERY OTHER LONDONER DOES ON A DAILY BASIS.

LONDON UNDERGROUND

Most often referred to as “The Tube”. This will be our primary means of travel as we venture daily to the various museums and attractions we visit.

The first underground metro rail ever created, and still one of the most used and most efficient underground travel systems in the world. MIND THE GAP!

BIG RED BUS RIDES

Yes, they still have the classic red buses, and they are used every day!

These timeless transports offer great views from high up as we travel down the narrow, winding London streets.

What trip to England would be complete without a thrilling ride on an iconic London “Double-decker” bus?

STROLLING THE STREETS

London is a walking city. Whether it's going between various attractions or just to the nearest tube station, you'll soon find yourself enjoying the walks to and from locations, as every corner and street shop we pass is filled with deep history and iconic London style.

Walking is really the best way to see and experience the life of the city!

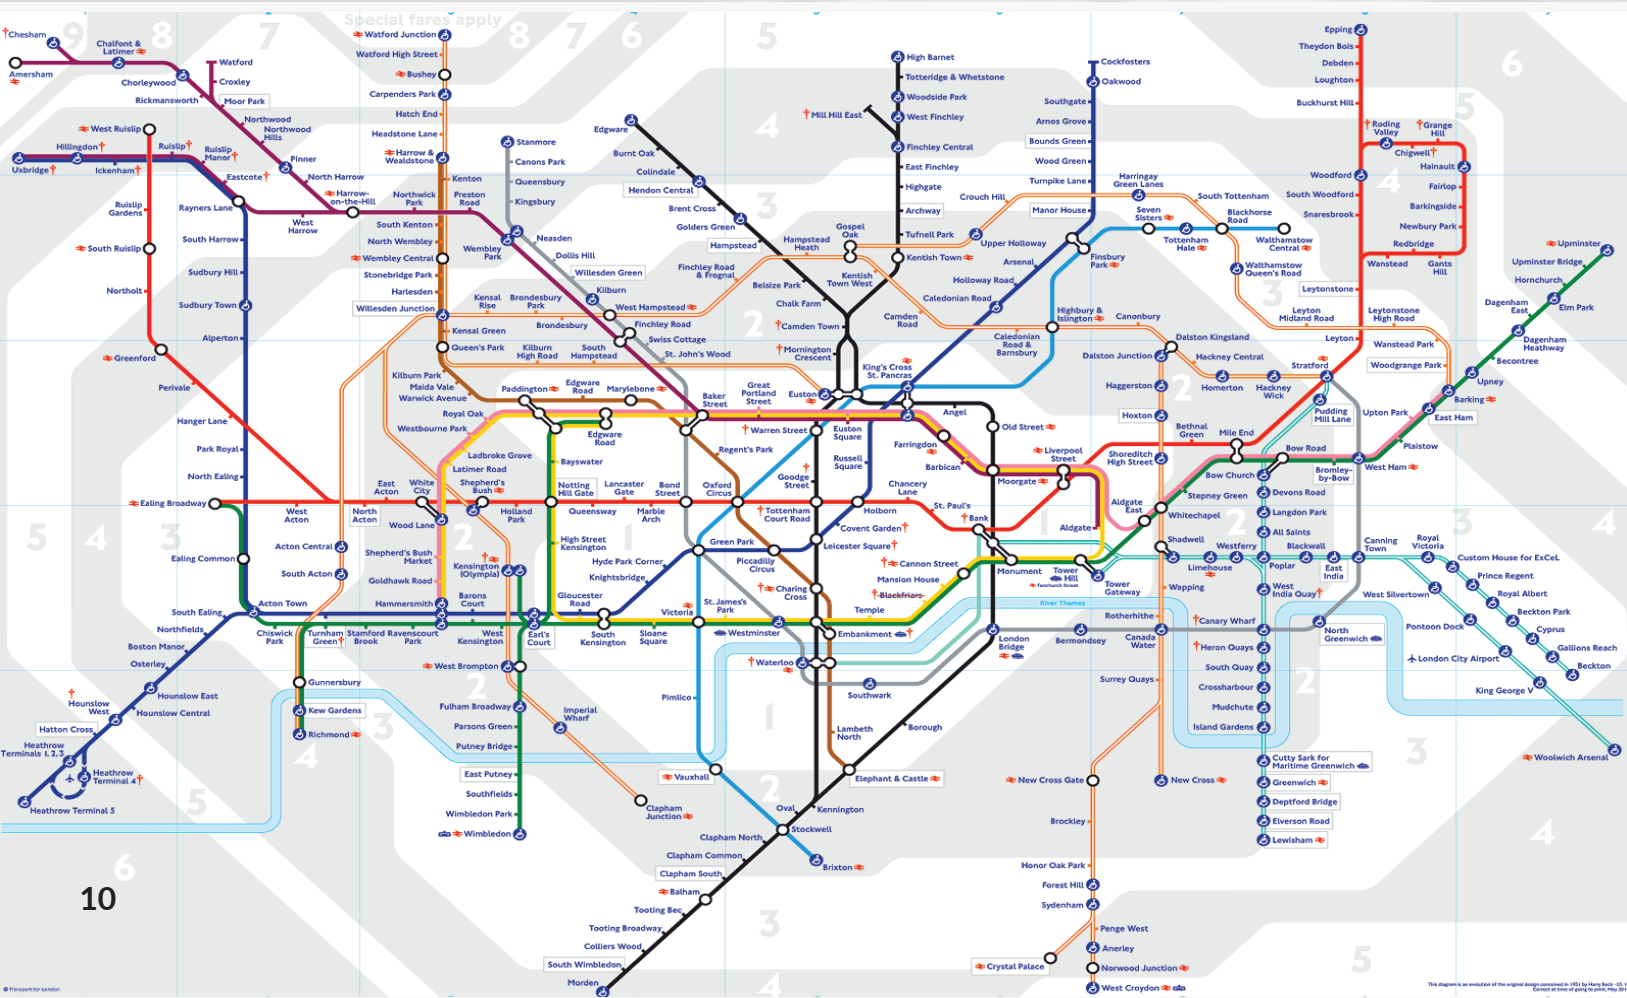

UNLIMITED TRAVEL IN THE HEART OF LONDON

OYSTER TRAVELCARD

While we are together in London, we will be using the Oyster travel card. This convenient touch-and-go card will allow you unlimited travel throughout the heart of London's Zone 1 and 2 via easy access on the tube, bus, and London Overground.

It's also a great way to see more of the city each evening. You can use the card to venture out for some fine dining, grab a show in the West End, or enjoy the London lights at night.

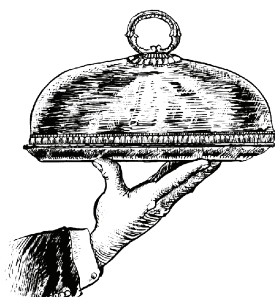

The cost of this unlimited travel around the heart of London for the week is included in your London Christian Tour.

LONDON DINNER

WORLD.”**

WHAT ABOUT FOOD?

Food is one of those things that is difficult to plan for and make everyone happy, especially in a different environment than you may be used to.

This is why as we travel to various locations throughout the day, it will be up to you to decide what you would like to purchase and eat at places we stop at or are nearby.

Most evenings you will be free to go wherever you would like to sample the best of London. From nightlife street vendors to fine dining, we highly recommend you try various things to experience the great international foods and surprises that London has to offer.

With not-to-be-missed classic fish and chips, to exotic curries and carved kebabs, London is full of delectable culinary delights!

"HOW DOES EVERYONE SEEM TO KNOW YOU?"

2019 TOUR GUEST

HOW MANY PEOPLE WILL BE WITH US?

In order to more easily engage with everyone on our tours and provide flexibility for various activities, we typically limit this tour to only **8-10 attendees**.

This helps us be able to see the behind-the-scenes locations and do activities that would be impossible with a larger group.

It also helps us travel, learn, and grow together as a family more easily during these seven days.

WHY DO YOU NOT INCLUDE THE COST OF AIRFARE IN THE LONDON CHRISTIAN TOUR?

There are a few good reasons why we ask you to make your own travel arrangements to and from London...

We often have people attending our tours from all over the US and even other countries. To book a group flight from the US to England would be difficult for schedules, as well as more costly in the long run because everyone would need to meet together in a departure city—often necessitating they book an additional flight to that city.

Another reason we don't book a group flight is because it gives the tour participants more flexibility with their travel preferences. Some may have a preferred airline or frequent flyer program they wish to use.

Finally, some choose to make the London Christian Tour part of a larger trip and might want to arrive in London a few days before, or stay a few days in Europe after we're done with our tour.

By asking everyone to make their own travel arrangements to and from London, we are allowing for the maximum flexibility and least expensive travel options possible.
